Q & A

Can I join Soule Kindred by mail?

Yes, visit our website soulekindred.org under the "join me" button to download and print the membership form.

Can I pay my membership with a credit card?

Yes, we take credit card or a check.

How is Soule Kindred organized?

We are led by a Board of Directors that is elected by the membership and operate according to our Bylaws. The Board elects the officers, including President, Vice-President, Secretary and Treasurer.

What is the Soule DNA project?

The SKA's research team is focusing on autosomal DNA testing to help link the most recent 5-6 generations of our member's family trees. It is through this testing that we work towards finding a link to an ancestral Soule descendant. We are still doing Y-DNA research for those with the Soule surname directly back to George with the objective to perhaps unlock the long-standing mysteries on the origins of George Soule. This two pronged approach may help our members make new discoveries within their own DNA family tree.

What is the Children's Development Center (CDC)?

A collaborative initiative with Plimoth Plantation providing an educational experience directed to young people.
